

Exhibitors

Visit the Exhibitions Area to see the latest technical reference materials and innovative software products from these companies and organizations.

Exhibits Open

Sunday, July 10	6pm-8pm (during Welcome Reception)
Monday, July 11	9am-4pm
Tuesday, July 12	9am-4pm
Thursday, July 14	9am-4pm
Friday, July 15	9am-1pm

Duxbury/Thomson

10 David Dr.
Belmont, CA 94002
United States
650-413-8813
www.duxbury.com

With over 30 years of publishing experience as well as leading the market with quality and innovative products for statistics and OR/MS, Thomson Duxbury provides ideal solutions. Our products range from introductory through advanced level materials with both applied and theoretical options. Come to the booth and browse through Duxbury's most recent texts, software and handbooks.

IFORS Regions & Societies

Stop by the exhibition for information on activities of IFORS Regions and Societies, including EURO, the Association of European Operational Research Societies within IFORS, whose aim is to promote O.R. throughout Europe.

ILOG, Inc.

889 Alder Ave., Suite 200
Incline Village, NV 89451
United States
775-881-2800
www.ilog.com

ILOG continues to lead the industry in optimization innovations. ILOG CPLEX furthers its leadership in mathematical programming with v9.1. ILOG OPL Development Studio delivers even faster and more robust development of ILOG CPLEX in v4.0. Find out how at Session RB-14, Thursday, 11:00am. Visit the ILOG exhibit to learn more.

INFORMS

7240 Parkway Dr., Ste. 310
Hanover, MD 21076
United States
800-446-3676 or 443-757-3500
www.informs.org

INFORMS is committed to meeting the professional needs of those who develop and apply operations research and related fields: those involved in the discipline of applying advanced analytical methods to help make better decisions. Over 10,000 strong, INFORMS offers many beneficial services, including scholarly, peer-reviewed journals; professional conferences; special-interest groups; job placement services and more. INFORMS serves as a focal point for O.R. professionals, enabling them to communicate with each other and reach out to other professional societies and colleagues. The society's Science of Better campaign to market the O.R. profession, with websites at www.orchampions.org and www.scienceofbetter.org, is increasingly collaborating with fellow IFORS societies.

John Wiley & Sons. Ltd.

The Atrium, Southern Gate
Chichester
West Sussex PO19 8SQ
United Kingdom
+44-1243-770259
www.wileyurope.com/he

Wiley is a global publisher of print and electronic products, specializing in scientific, technical, and medical books and journals; professional and consumer books and subscription services; and textbooks and other educational materials for undergraduate and graduate students as well as lifelong learners.
