Your presenting authors will each receive an email message from you inviting them to present or confirming their participation in your session and providing submission instructions.

Please Note

The system instructs your presenting authors to email you if they have special requests. These requests will often relate to scheduling. Please pass any scheduling requests along to the chair of your cluster and to Paulette Bronis at Paulette.Bronis@INFORMS.org. Also please note that if you are unable to serve as session chair and have a replacement please forward this information to Paulette Bronis at Paulette.Bronis@INFORMS.org so that the system can be updated and please copy the cluster chair on your email.
